

## Privacy Policy for LinkedIn Use

The above-mentioned personal information in LinkedIn will be collected, stored, and processed by the Bristol-Myers Squibb Company.

Your personal information will be processed in order to be able to contact you directly. (hereinafter referred to as the "Purpose").

We rely upon your freely given consent as our legal basis for processing your personal information for the Purposes. Your consent to the processing of your personal information is voluntary. You may revoke your consent to such processing at any time, without affecting the lawfulness of processing based on your consent prior to its revocation. Please note that we may still be required to process some of your information, after you withdraw consent, in accordance with laws or to protect our legal rights and interests, such as in the event of a legal dispute.

Your personal information will be shared with relevant affiliated Bristol-Myers Squibb group companies, and carefully selected service providers (i.e. local recruitment partners) for the above Purposes. These companies may have their head offices in the United States of America and or the European Union. By means of its Binding Corporate Rules, a copy of which is available by clicking [here](#), Bristol-Myers Squibb will ensure the appropriate protection and legitimate transfer of data among its group companies in compliance with local data protection laws. You can find additional information about the affiliated group companies and service providers at <http://www.hcp-bms.com/bmshcpdataprivacy>. Where Bristol-Myers Squibb cannot rely upon its Binding Corporate Rules to conduct a transfer, it will rely upon EU Commission standard contractual clauses, and make copies available, upon request, or other lawful transfer mechanisms.

We will store your data personal information for so long as is reasonably necessary for the Purposes, and in accordance with the duration of the local statutory requirements applicable law. You may at any time request access to or portability of information about your data information stored with us, and request that it be corrected or, deleted, or blocked object to or restrict our processing of your information in compliance with applicable law. You may also lodge a complaint with your competent supervisory authority if you consider that our processing of your information infringes applicable law.

Please contact us by emailing [Roman.Myz@bms.com](mailto:Roman.Myz@bms.com) with any queries on the processing of your personal information or if you wish to exercise your rights under law. You may also contact our data protection officer, who can be reached at [eudpo@bms.com](mailto:eudpo@bms.com).

Your consent to the processing of your personal data as contemplated above is voluntary. You may revoke your consent to such processing at any time.
