Are you or a loved one dealing with kidney cancer?

A diagnosis of kidney cancer can be overwhelming for you and those closest to you. But, know that you are not alone. There are people and organizations that can help.

You may have questions about:

- Treatment Options
- Understanding the Diagnosis
- Managing Side Effects
- Caring for Family
- Handling Job Responsibilities
- Managing the Cost of Care
- Coping With Symptoms
- Continuing Daily Activities

BE AN ADVOCATE

Patient advocacy organizations can help you with:

- Educational Materials
- Free Professional Counseling Services
- Understanding Insurance Benefits
- Financial & Transportation Assistance
- Finding Clinical Trials Near You
- Connecting With Other Patients

Resources available for patients & caregivers

What are some resources available to me? Let patient advocacy organizations help. Details on back.
Please remember that the first and best resource for any questions or concerns you may have about living with kidney cancer is your healthcare team. Bristol-Myers Squibb is not affiliated with nor endorses these organizations, and the contact information above does not suggest endorsement.
