

Bristol Myers Squibb (BMS) Expanded Patient Support Program Overview

In light of the developing situation around COVID-19, we would like to share immediate action Bristol Myers Squibb is taking to support the health and well-being of patients, customers and employees during this time.

Bristol Myers Squibb is expanding its longstanding patient support programs to help eligible unemployed patients in the U.S. who have lost their health insurance due to the COVID-19 pandemic. The expanded program offers access to any branded BMS medicine for free.

Program designed to provide free product to patients with a current prescription for a BMS medication who:

Lost their job and health insurance coverage due to the COVID-19 pandemic

OR

Are non-U.S. residents unable to travel to their home country to access their medications due to the COVID-19 pandemic

How to Access the BMS Patient Support Program:

Call the BMS Contact Center's newly created Expanded Patient Support phone number: 1-800-721-8909
